The flyer includes the Acton Agua Dulce USD logo, the title "Community Forum", and the subtitle "Talk Openly, Share Opinions & Ask Questions". It also features a graphic of three stylized people. The main text on the flyer discusses the transition to a new election system for the Board of Education Trustees, known as "By-Trustee Area Voting". It explains that the current election method is "At-Large" and that the new system will allow every resident within the district's boundaries to vote to elect all four trustees. The flyer also mentions that the transition will involve input from schools, community, and planned community forums. A "Zoom Link to the Forum" is provided at the bottom of the flyer. Below the flyer, there is a link to the zoom link and a list of attachments, including "Community_Forum_CVRA.pdf (1994 KB)". Start Time: 6:00 pm

Topic of Discussion:
"California Voting Rights Act (CVRA)"

ACTON AGUA DULCE UNIFIED SCHOOL DISTRICT MAY BE TRANSITIONING TO A NEW ELECTION SYSTEM TO SELECT MEMBERS OF THE BOARD OF EDUCATION TRUSTEES. THIS NEW SYSTEM IS KNOWN AS "BY-TRUSTEE AREA VOTING".

THE INTENT OF THIS PROPOSED SYSTEM IS TO OFFER GREATER OPPORTUNITIES FOR BOARD REPRESENTATION FOR CANDIDATES WHO MIGHT NOT OTHERWISE BE ELECTED UNDER THE CURRENT ELECTION METHOD. THE SYSTEM WE HAVE IN PLACE NOW IS CALLED "AT-LARGE" AND ALLOWS EVERY RESIDENT WITHIN THE DISTRICT'S BOUNDARIES TO VOTE TO ELECT ALL FOUR TRUSTEES.

WE VALUE AND PROMOTE THE PARTICIPATION OF OUR COMMUNITY. IT IS CRUCIAL TO KNOW THAT THE TRANSITION TO THE "BY-TRUSTEE" AREA ELECTION SYSTEM WILL INVOLVE INPUT FROM OUR SCHOOLS, COMMUNITY, WITH PLANNED COMMUNITY FORUMS.

Reunión Virtual
Hora de Inicio: 6:00 pm

Tema de discusión:

"Ley de Derecho al Voto de California (CVRA)"

EL DISTRITO ESCOLAR UNIFICADO DE ACTON AGUA DULCE PUEDE ESTAR HACIENDO LA TRANSICIÓN A UN NUEVO SISTEMA DE ELECCIÓN PARA SELECCIONAR A LOS MIEMBROS DE LA JUNTA DE EDUCACIÓN (FIDEICOMISARIOS). ESTE NUEVO SISTEMA SE CONOCE COMO "VOTACIÓN POR ÁREA DE FIDEICOMISARIOS".

LA INTENCIÓN DE ESTE SISTEMA PROPUESTO ES OFRECER MAYORES OPORTUNIDADES DE REPRESENTACIÓN EN LA JUNTA PARA CANDIDATOS QUE DE OTRO MODO NO SERÍAN ELEGIDOS SEGÚN EL MÉTODO DE ELECCIÓN ACTUAL. EL SISTEMA QUE TENEMOS IMPLEMENTADO AHORA SE LLAMA "GENERAL" Y PERMITE QUE TODOS LOS RESIDENTES DENTRO DE LOS LÍMITES DEL DISTRITO VOTEN PARA ELEGIR A TODOS LOS FIDEICOMISARIOS.

VALORAMOS Y PROMOVEMOS LA PARTICIPACIÓN DE NUESTRA COMUNIDAD. ES CRUCIAL SABER QUE LA TRANSICIÓN AL SISTEMA DE ELECCIÓN DE ÁREA "POR FIDEICOMISARIO" IMPLICARÁ APORTES DE NUESTRA COMUNIDAD ESCOLAR, CON FOROS COMUNITARIOS PLANIFICADOS.

A resolution adopted pursuant to this paragraph shall include a declaration that the change in the method of electing members of the governing body is being made in furtherance of the purposes of the California Voting Rights Act of 2001.”

- ❑ Latino % of District-wide Citizen Voting Age Population (CVAP): 24%.
- ❑ Three of the five adopted trustee areas have Latino CVAP higher than 24%

Districting Rules and Goals

1. Federal Laws

Equal Population
Federal Voting Rights Act
No Racial Gerrymandering

2. California Criteria

In prioritized order:

1. **Geographically contiguous**
2. **Avoid division of neighborhoods and “communities of interest”**
(Socio-economic geographic areas that should be kept together)
3. **Avoid division of Cities and Census Designated Places**
4. **Easily identifiable boundaries**
5. **Compact**
(Do not bypass one group of people to get to a more distant group of people)

2. California Prohibition

“Shall not adopt election district boundaries for the purpose of favoring or discriminating against an incumbent, political candidate, or political party.”

3. Other Traditional Redistricting Principles

Future population growth

Equal Population

California Elections Code Section 21130(a)(1):

Population equality shall be based on the total population of residents of the local jurisdiction as determined by the most recent federal decennial census for which the redistricting data described in Public Law 94-171 are available.

Federal case law requires that population deviation stay below 10% to be presumptively Constitutional (*Karcher v. Daggett*, 462 U.S. 725 (1983)).

All draft maps had population deviations below 10%

Selected Map 105 has a deviation of 8.4%

Federal VRA Analysis

California Elections Code Section 21130(b):

(b) The districting body shall adopt election district boundaries that comply with the United States Constitution, the California Constitution, and the federal Voting Rights Act of 1965.

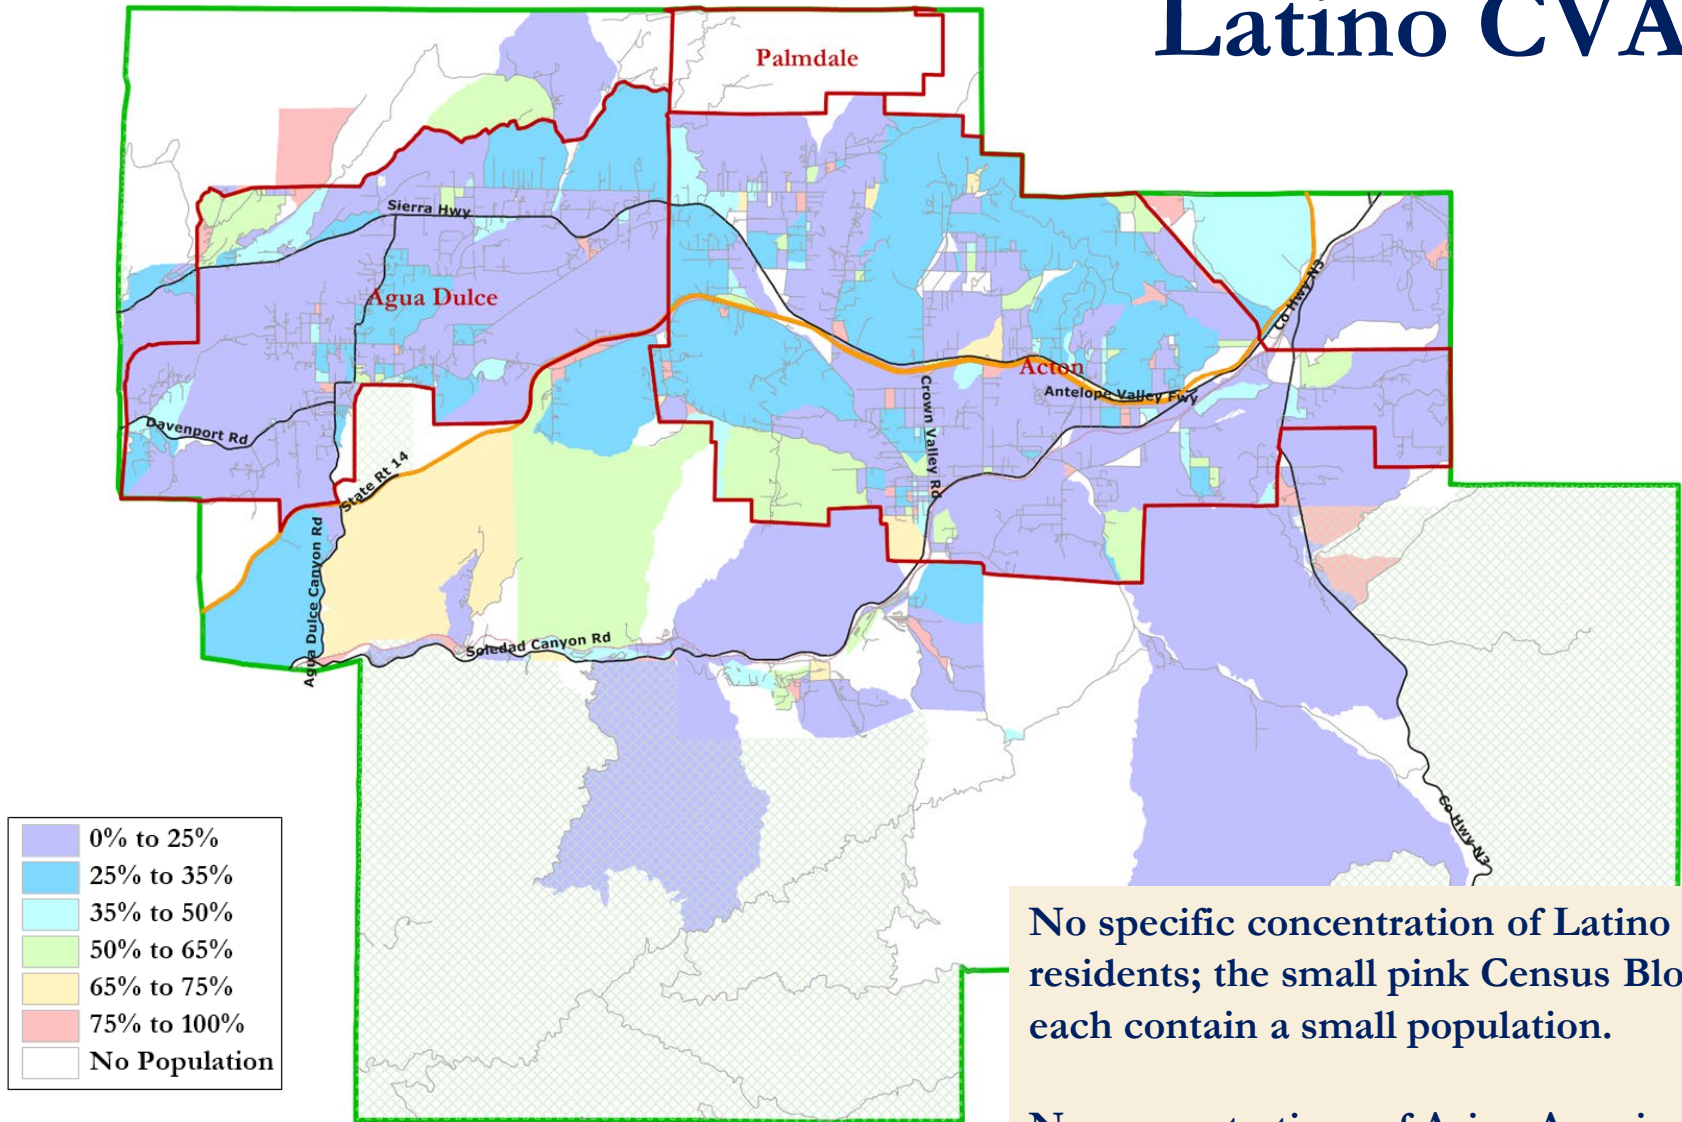

(1) Consistent with the districting body's existing obligations under the federal Voting Rights Act, the districting body shall determine whether it is possible to create an election district or districts in which a minority group is sufficiently large and geographically compact to constitute a majority in a single-member district...

(2) If the districting body...conducts an analysis to determine whether "racially polarized voting" ... exists in the local jurisdiction, the districting body shall publish ...a summary of its analysis and findings.

□ Section 21130(b) Report

- "[I]t is not possible to create an election district or districts in which a protected class is sufficiently large and geographically compact to constitute a majority in a single-member district."
- No racially-polarized voting analysis was conducted.

Latino CVAP

No specific concentration of Latino residents; the small pink Census Blocks each contain a small population.

No concentrations of Asian-Americans, African-Americans or Native Americans

Contiguity

California Elections Code Section 21130(c)(1):

To the maximum extent practicable, election districts shall be geographically contiguous.

All draft maps, including the Adopted Map 105 meet the contiguity requirement.

Communities of Interest Definition

California Elections Code Section 21130(c)(2):

A “community of interest” is a population that shares common social or economic interests that should be included within a single district for purposes of its effective and fair representation.

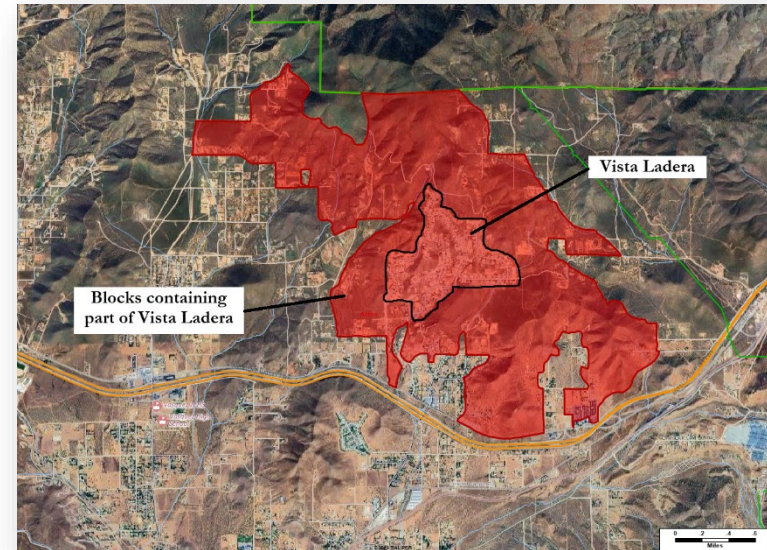

The shared interests may include (but are not limited to):

- ☐ Shared public policy concerns such as education, public safety, public health, environment, housing, transportation, and access to social services. cultural districts;
- ☐ Shared socioeconomic characteristics;
- ☐ Similar voter registration rates and participation rates; and /or
- ☐ Shared histories.

Definitions of Communities of Interest may not include relationships with political parties, incumbents, or political candidates.

Areas of Community Comment

1. Keep the Vista Ladera HOA in a single area as a community of interest
2. The core of historic Agua Dulce is between Sierra Highway and SR14.
 - ❑ The Census' CDP boundary for Agua Dulce cuts off areas along SR14/Sierra Highway only accessible through the CDP itself and should be connected.
3. The areas south of Acton and SR14 along Soledad Canyon Road, including the portion of Angeles National Forest, form a distinct Community of Interest.

Minimizing Division of Cities and CDPs

California Elections Code Section 21130(c)(3):

To the maximum extent practicable...the geographic integrity of a city or census designated place shall be respected in a manner that minimizes its division.

Acton-Agua Dulce Unified contains parts of one city and two Census-Designated Places (CDPs). By population:

Acton CDP: 7,446

Agua Dulce CDP: 3,466

Palmdale City: 0

Remainder: 1,353

Population from Acton must be in at least **four of the five trustee areas; population from Agua Dulce must be in at least **two** of the five trustee areas.**

Major Boundaries

California Elections Code Section 21130(c)(4):

To the maximum extent practicable, and where it does not conflict with the preceding criteria in this subdivision, election districts shall be bounded by natural and artificial barriers, by streets, or by the boundaries of the local jurisdiction. Election district boundaries should be easily identifiable and understandable by residents.

Boundaries of all maps follow major roads and jurisdiction boundaries as much as possible, including:

- ❑ State Highway 14
- ❑ Soledad Canyon Road
- ❑ Sierra Highway
- ❑ CDP boundaries of Agua Dulce & Acton

Compactness

California Elections Code Section 21130(c)(5):

To the maximum extent practicable...election districts shall be drawn to encourage geographical compactness in a manner that nearby areas of population are not bypassed in favor of more distant populations.

Adopted Map 105 meets the contiguity requirement.

No Favoring or Discriminating

California Elections Code Section 21130(d):

The districting body shall not adopt election district boundaries for the purpose of favoring or discriminating against an incumbent, political candidate, or political party.

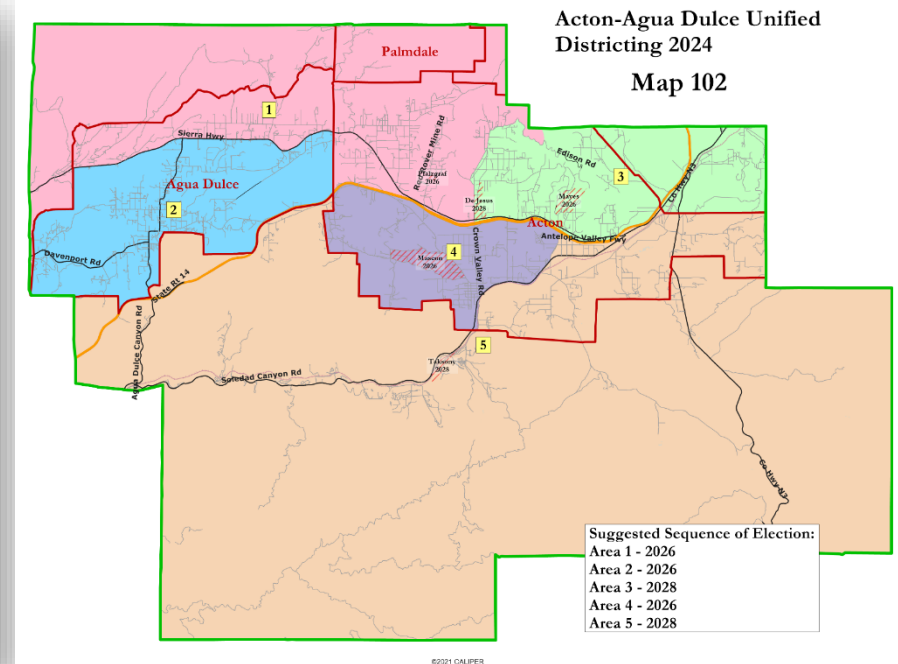

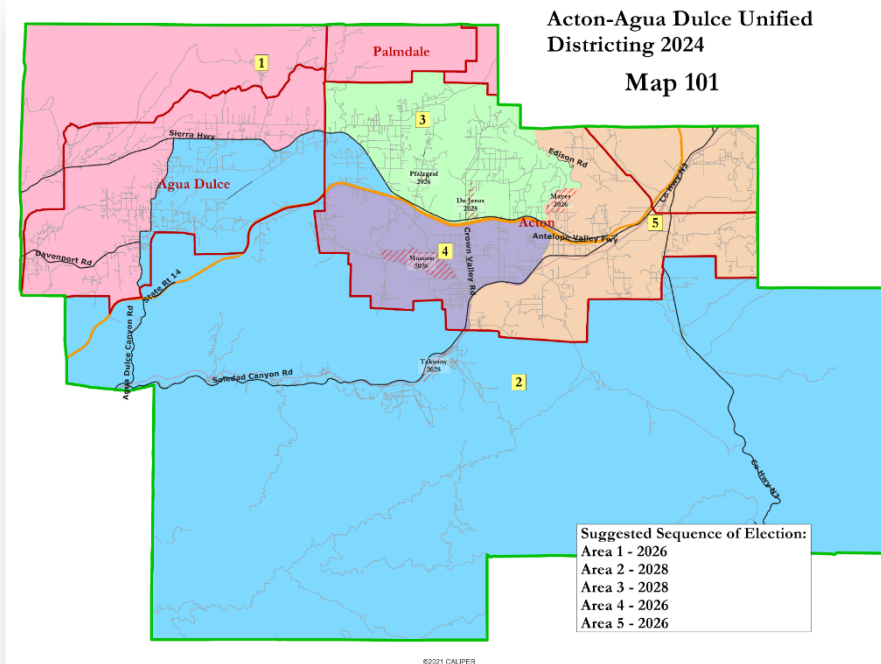

- ❑ The locations of the trustees were shown on maps throughout the process to allow public awareness and confirmation of compliance with the requirements of the FAIR MAPS Act.
- ❑ No partisanship data was used in the creation of the draft maps in compliance with the requirements of the FAIR MAPS Act.
